Introducing La Perla Homes 10 – a collection of 13 smart townhouses in JVC with outstanding amenities and upscale features. Developed by GHD Developments, this upcoming project has been carefully designed to bring you a unique sense of exclusivity with a private rooftop pool, an elevator, large balconies, and outstanding attention to detail.

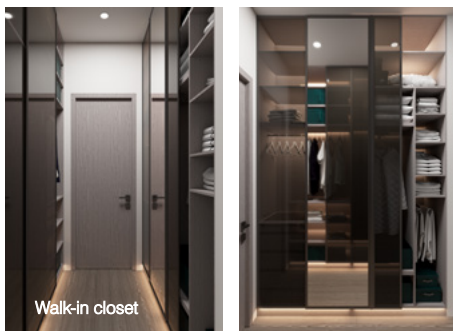

Become part of a vibrant community and enjoy top retail, dining, and entertainment options while staying connected to the city with easy access to main roads.

Let us take you on a journey of discovery...

Master bedroom (2 in total)

Walk-in closet

Where inspiration lives

Start and end your days in a luxurious suite bedroom that inspires your best lifestyle. From the ample walk-in closet to the spa-like en suite bathroom with premium features, every small detail has been thoroughly considered to grant you the highest level of comfort.

Outstanding attention to detail

Your spa-like bathroom provides the perfect ambience. A premium home begins with premium materials – the delicate colours, intricate details, and elegant lighting fixtures blend seamlessly into the rest of the spaces.

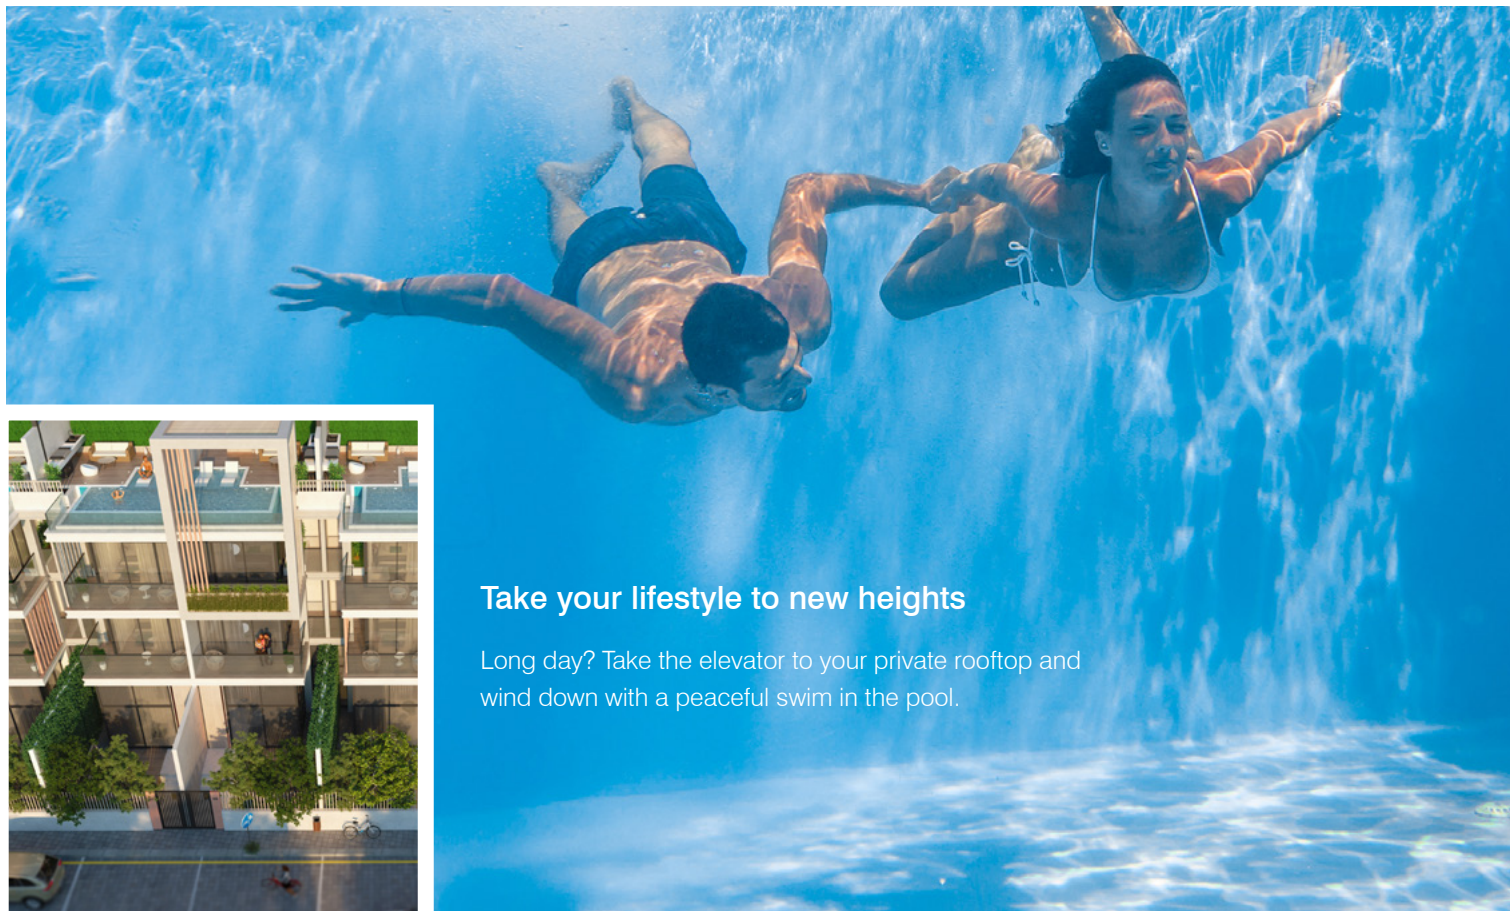

Living area, regular unit

A space made for you

Step into your premium open kitchen and enjoy a cup of coffee as you soak in the morning light through the floor-to-ceiling windows. Enjoy a wholesome breakfast with your family as everyone prepares for a successful day ahead.

Carefully designed with every detail in mind, kitchens at La Perla Homes are built with the finest materials by world renowned brands. Each kitchen is open and connected to the living room – however, if you prefer to separate the area while keeping the modern touch, we can apply a suitable solution upon request.

Take your lifestyle to new heights

Long day? Take the elevator to your private rooftop and wind down with a peaceful swim in the pool.

Create everlasting memories

When friends and family come to visit, the barbecue area on the rooftop is the perfect place to entertain and create everlasting memories.

Study room

Functionality and privacy in mind

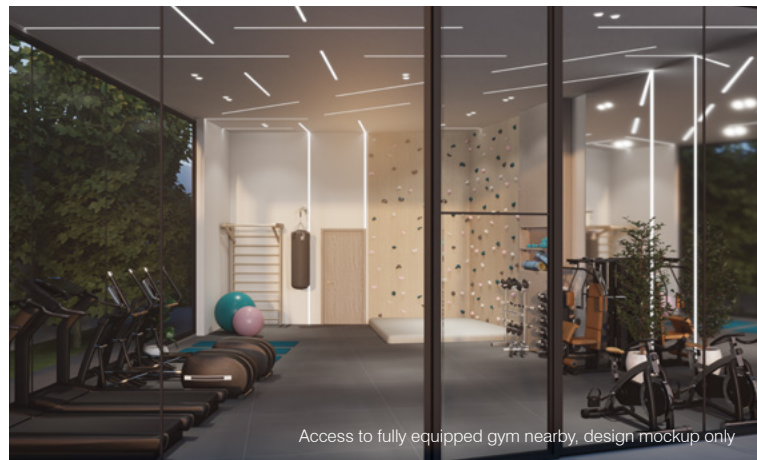

Working at home? Create the perfect workplace by converting the fourth bedroom into a study. Floor-to-ceiling windows invite natural light inside, and the built-in storage space makes it easy to store your belongings and organise the room to your liking. Designed with functionality and privacy in mind, your new home office will transform the way you work.

Where the fun never ends

The little ones need a space where they can let their imagination fly. A fun, inviting environment that inspires them and encourages creativity, freedom, and recreation.

Movement is medicine

Staying active is an important part of a balanced, healthy life. The shared gym is fully equipped and makes it easier to move your body however you like – whether you're in the mood for a vigorous exercise session or prefer a calm yoga practice. If you fancy trying something different, head to the climbing wall for an indoor adventure.

Smart, exclusive, and unique

The exterior of each townhouse is contemporary and timeless, with a neutral colour scheme, clean designs, and large balconies. The private pool brings an exclusive touch to the layout of your home, while bright greenery provides a peaceful balance.

Use smart home automation to dim the lights and create the perfect ambience for a relaxing evening at home.

LA PERLA HOMES¹⁰

13 premium homes in JVC District 10
