As one of Dubai's largest property developers, we have successfully carved a niche for ourselves with landmark projects across the emirate. We delivered over 20 million sq. ft. of developments.

We have under our wing stellar commercial towers, remarkable residential buildings, and incredible hotels that reflect their time and also transcend it. Our presence is palpable across Dubai's finest locations – from its globally renowned addresses to its upcoming hubs. We are noted for our iconic projects citywide across Business Bay, Dubai Marina, DIFC, Jumeirah Lake Towers, Dubai Production City, Dubai Silicon Oasis and Al Barsha.

With our eyes set on expansion, following our IPO in May 2007 with a capital of AED 5.78 billion, we branched into diverse service offerings divided into six business units: Property Development, Property Management, Facilities Management, Community Management, Hospitality and Asset Management. These divisions provide multipurpose property services and have accentuated Deyaar's appeal and stature within the real estate industry.

We use the breadth of our expertise and the strength of our financial intelligence to create a positive and lasting impact on Dubai's built environment.
