A photograph of a modern bridge with a golden, flowing design, set against a sunset sky. The bridge's structure is composed of multiple parallel, curved beams that create a sense of movement and elegance. The lighting is warm, highlighting the metallic texture of the bridge. The background shows a calm body of water reflecting the sky and the bridge's structure.

A real bridge to the *future*

Embrace convenient access as you journey home to your luxury lifestyle with the unveiling of the Dubai Islands new access bridge. Spanning 1,425 meters across, Dubai Islands residents will benefit from direct entry and exit points on the Bur Dubai side of the city connecting directly to the Islands over the Dubai Creek.

The background of the page is an aerial photograph of a tropical beach. The water is a vibrant turquoise color, transitioning to a lighter, sandy beach. The sky is a pale, hazy blue. On the left side, there is a circular inset showing a close-up of a green palm frond with detailed vein patterns.

Dubai Island B

Residing on Island B means living amidst swimmable beaches, waterfront park promenade and prolific green spaces. An exceptional resort-style island that values and integrates its rapport with the landscape.

Live the island life close to the city yet worlds away.
