Hallmarks of Exclusivity

A home is an expression of an individual's personality. Much like your fingerprint, The Residences at Jumeirah Lakes Towers are unique to you. The architecture and décor reflect your identity, a distinct signature like no one else. Each residence has a remarkably unique design and creates spaces that are as individual as you are.

AN ARCHITECTURAL MARVEL

The Residences at Jumeirah Lakes Towers, enjoying pride of place on the upper floors of the Taj hotel, feature a collection of 77 stylish abodes fittingly named Monogram, Autograph and Signature. A tribute to understated luxury and design that goes beyond convention, this fascinating superstructure features glass pods that extend outward offering a top-to-bottom view of the city.

Each apartment features a panoramic glass pod, sky terrace or balcony designed to amplify the stunning city views.

THE SIGNATURE COLLECTION

6 units in total - floors 37 to 42 which consist of 3 full floors of Penthouses on levels 37, 39 and 41 and one Signature 5 bedroom apartment (facing Sheikh Zayed Road, Dubai Marina and Jumeirah Beach Residences) on floor 38, 40 and 42 each.

THE AUTOGRAPH COLLECTION

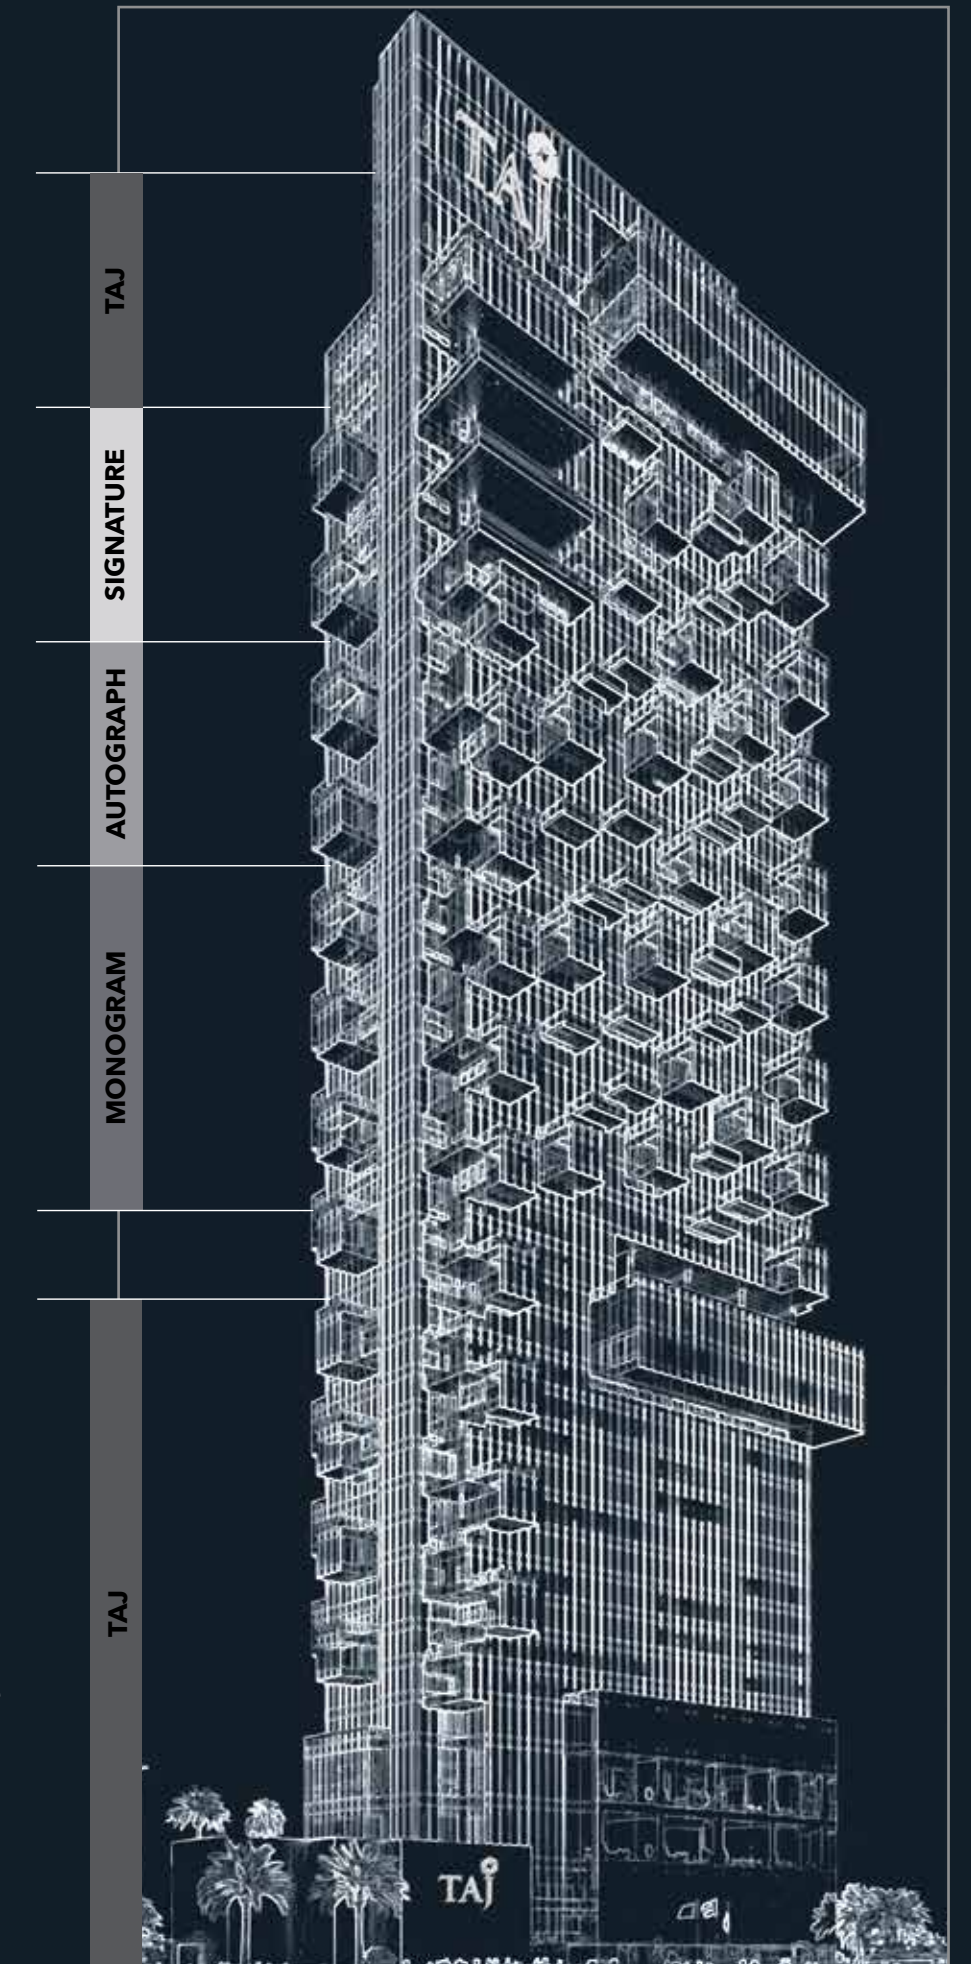

21 units in total - of which 18 units are located on level 31 to 36 (each floor has only three units), six floors with 3/4/5 bedroom apartments with an average size 3 bedroom of 280 sqm & average size 4/5 bedrooms of 406.37 sqm. Balance 3 units are located on level 38, 40 & 42 with a 3 bedroom apartment on each floor (facing Emirates Hills & JLT Lake) with an average size of 283.63 sqm.

THE MONOGRAM COLLECTION

53 units in total - floors 20 to 30, 11 floors with 2 & 3 bedroom apartments with an average size of 2 bedrooms of 139.2 sqm & 3 bedrooms of 226 sqm. One floor has 3 units and the remaining ten floors have 5 units.

TAJ

With 100 hotels in 62 locations across India, Taj offers guests the refined luxury of heritage combined with effortlessly efficient service and local expertise to create a moment to remember. In India, Taj hotels are strategically located to offer the Taj experience in business hubs, industrial towns and metropolises, as well as the most remote pilgrimage centres, historic and natural destinations. The group has extended its international presence with 15 hotels in the Maldives, Malaysia, the UK, USA, Bhutan, Sri Lanka, Africa and the Middle East.

AN ELATED URBAN LIFESTYLE

An urban marvel where nothing fails to impress and the awe-inspiring awaits at every turn, Dubai is the city of the future. Holding its own in this vibrant emirate is the stylish neighbourhood of Jumeirah Lakes Towers, offering residents the best of both worlds - connectivity and serenity.

AN ENVIABLE LOCATION

The welcoming neighbourhood offers connectivity through Sheikh Zayed Road and Sheikh Mohammad bin Zayed Road, proximity to Dubai Marina, Jumeirah Beach Residence, Dubai Media City, Dubai Knowledge Village, Barsha Heights, and a great selection of dining venues. Stunning views of the lake and the remarkable Dubai skyline make Jumeirah Lakes Towers the perfect place to call home.

THE PLEASURES OF LUXURY

Attention to your every need and maintaining your sense of privacy is our highest priority. The Residences at Jumeirah Lakes Towers offer an intuitive valet service, a well-trained on-site maintenance team, a concierge and round-the-clock security. Dedicated underground parking with bays designed to hold large vehicles offers additional convenience.

A SUBLIME ARRIVAL

An aesthetically designed lobby will set the tone for your delightful journey to the spacious residences. Abstract art adorns the walls, adding an interesting artistic flair.

A TRIBUTE TO INNOVATIVE LIVING

Meticulous attention to detail is evident at every space within the Monogram Residence. Ambient lighting, marble floors and avant-garde technology create living spaces that are ideal for entertaining and relaxation.

ELEGANCE IS IN THE DETAILS

Framed by large panoramic floor-to-ceiling windows that open up to views of Jumeirah Lakes Towers, Emirates Hills, Dubai Marina and Downtown Dubai, the living room offers a perfect balance of warmth and tasteful luxury. These residences feature 3 metre clear ceiling heights, three-sided open balconies and terraces, as well as extraordinary glass pods that extend out of the building to offer the exclusivity of a private viewing deck floating above the city.

A COVE OF RELAXATION

Smooth finishes, clean lines and ergonomic interiors define each of the three-bedroom Monogram Residences. The master bedroom spans to 26 sqm and ensuite bedrooms between 18 and 23 sqm each. Remarkably spacious, the bedrooms are equipped with well-appointed bathrooms and flexible storage spaces that make every day extraordinary.

CURATED CULINARY EXPRESSIONS

Incredible Italian designs with European appliances celebrate the various elements of the kitchen and allow easy access to everyday utilities, tucked away neatly in the wood veneer and glass cabinetry. Transparent glass-front shelves and metallic edging on the wood adds a stylish touch. Modern quartz stone adorns the kitchen countertops offering a clean and contemporary look. Ample natural light floods in through large full-length windows which open up to a dramatic view of the city, making it the perfect family kitchen.

A BESPOKE OASIS

Kohler fittings, stunning faucets, remarkable fine-quality marble and a statement bathtub transform the bathroom within the Monogram Residences into a stylish retreat worthy of your time and attention. The abundance of space is enhanced by colossal integrated vanity mirrors that adorn the bathroom and the separate standing shower. A separate closet and indulgent powder room are designed to pamper.

THE QUINTESSENCE OF LUXE LIVING

Bathed in muted hues of grey and brown, the living room is a blend of cosmopolitan flair and classic accents. An organic colour palette grounds the space, creating intimate sophistication.

MORE THAN WHAT MEETS THE EYE

Inviting in generous natural light, dramatic landscape windows frame the cityscape, creating a harmonious transition from indoors to outdoors. Every nook of the residences exudes an ambience that beautifully reflects individuality. Spacious living and dining areas create ideal spaces for entertainment.

ELEGANT URBAN ALCOVE

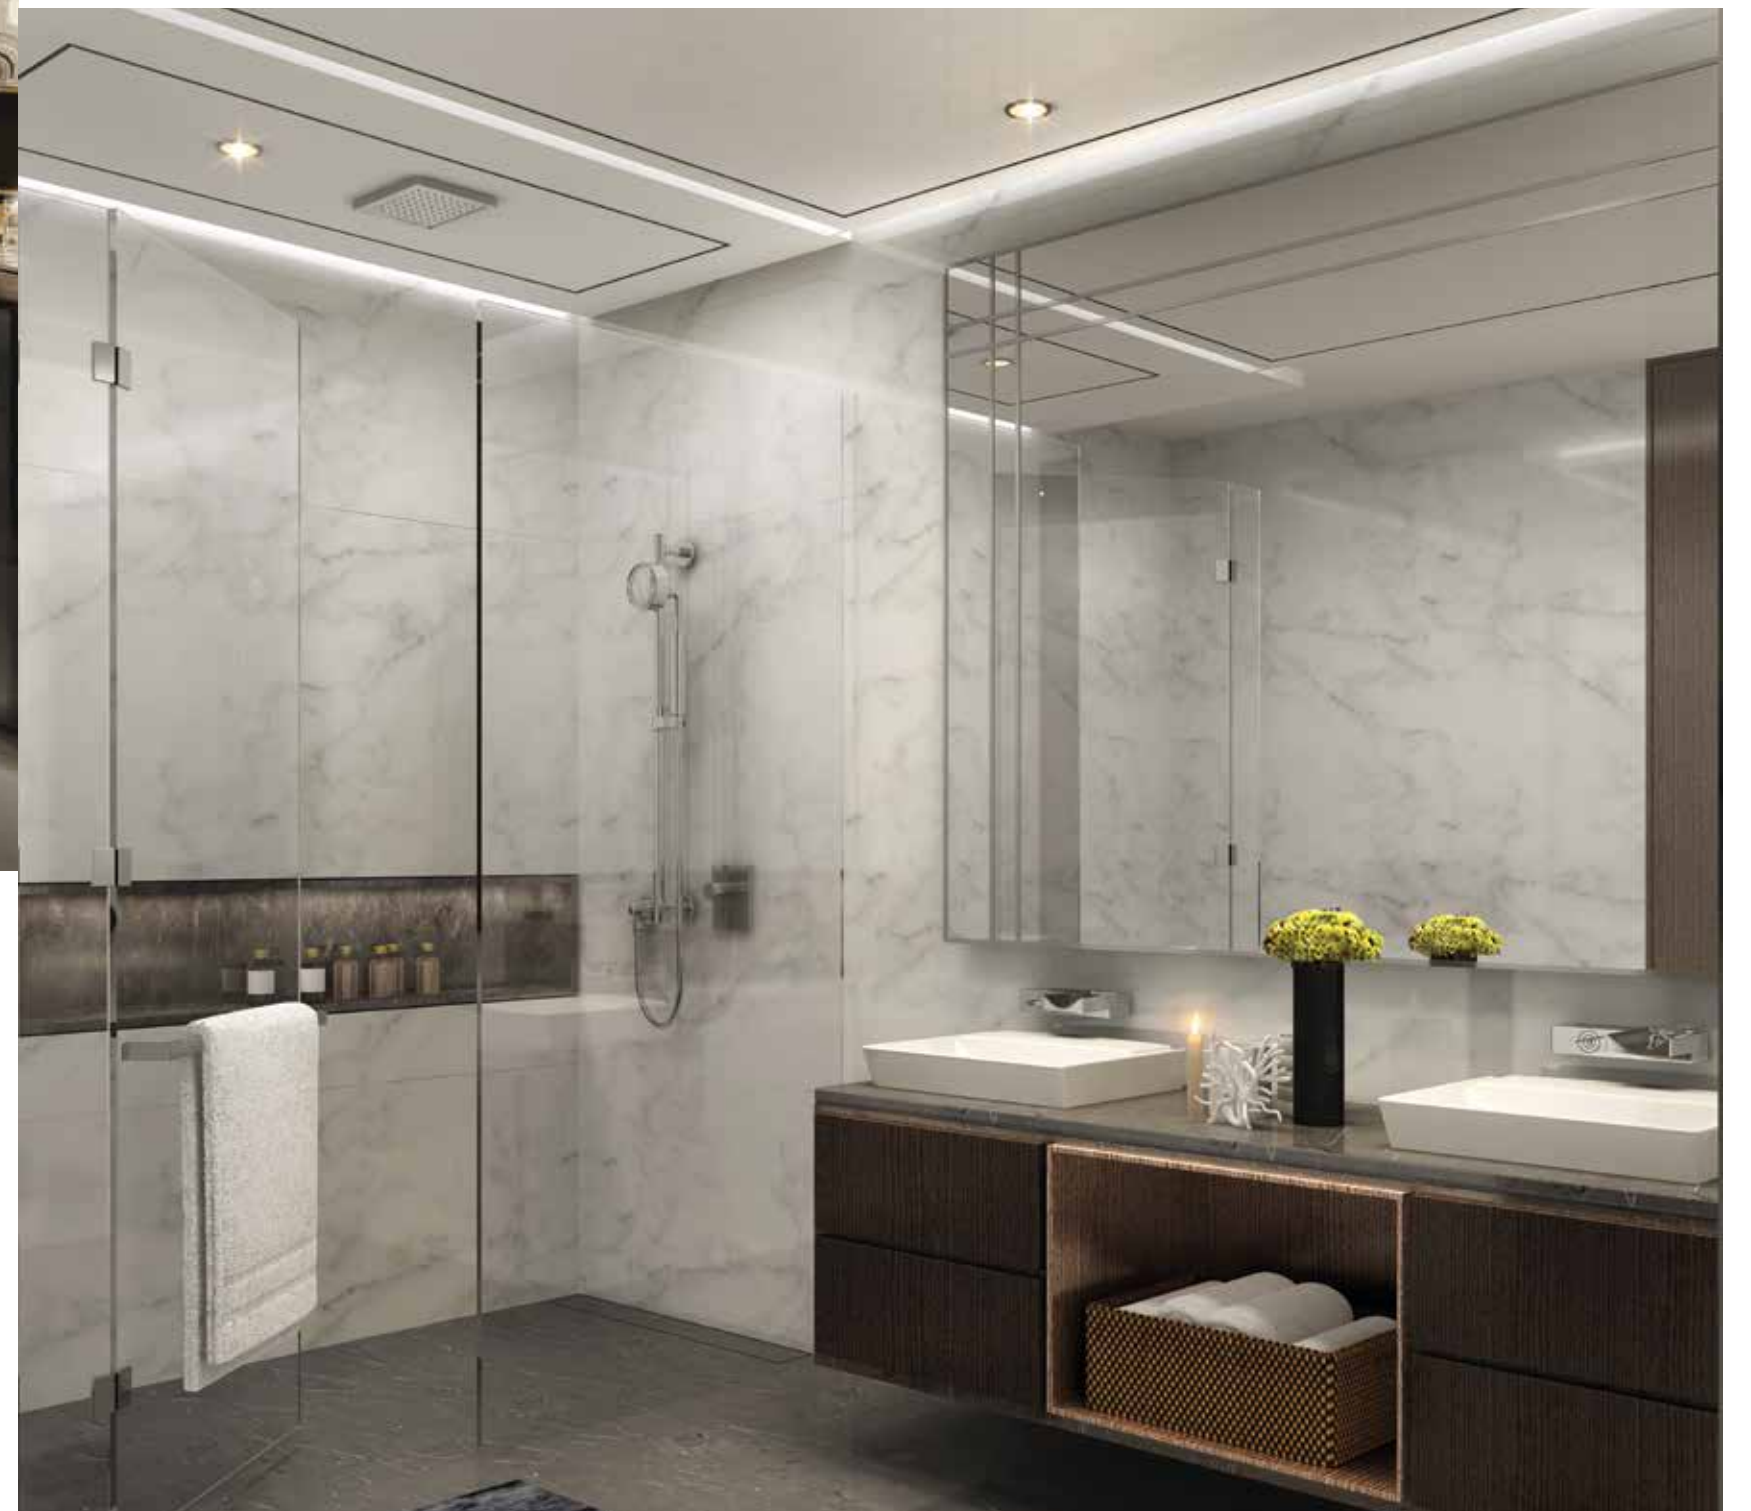

Minimalism is the theme that runs across the bedrooms at the Autograph Residence. Soft ambient light, subtle textures and a sense of calm envelop each of the master bedrooms which are an average size of 26 sqm and ensuite bedrooms with an average size of between 19 and 24 sqm. The spacious rooms can also accommodate workstations and lounge areas, while floor-to-ceiling windows stand as grand gestures in the bedroom.

CHARACTERFUL CULINARY STATIONS

A space filled with a textural blend of classic and contemporary, the kitchen is designed to simplify the everyday. Quality and functionality take precedence, which is highlighted through thoughtfully designed cabinetry and integrated European appliances such as refrigerator, dishwasher and gas with oven. Modern quartz stone countertops allow for an integrated sink in the same material for a seamless look.

REFRESHING SUITE

Drawing inspiration from nature, the organic design infuses the opulent vanity space with a calming vibe. Smooth lines, fine marble and bespoke details add a touch of elegance, inspiring a feeling of self-indulgence in the midst of a fast-paced lifestyle. Large bathtubs and unique faucets make striking, sculptural installations that add a touch of exclusivity. A standalone powder room and an attached walk-in closet in the master bathroom complete the offering.

A VIVACIOUS ENCLAVE

Enjoying an enviable location on the top floors of the tower, the Signature Residences exude an air of relaxed classiness. Clean-lined and inviting with a dash of glamour and comfort, the living room is ideal for relaxation and entertaining. Ceiling-high windows reveal awe-inspiring views of the city and create an undeniable sense of space.

A TRANQUIL HAVEN

Charming patterns bedeck the monochromatic palette in the bedrooms creating balance. Soft hues enhance the spaciousness and allow light to reflect within, evoking a sense of warmth and cheerful energy. The abundance of space allows for versatile, cosy sectional nooks in the master bedrooms such as a walk-in closet, intimate seating and a workstation.

THE SOUL OF THE HOME

This multi-functional space is designed to evolve the kitchen into the hub of your home and a treasured alcove that can be enjoyed by the whole family. Punctuated by beautiful counters that are not only functional but welcoming, the culinary nexus of the residences creates warmth and vibrancy. Bold metallic finishes sparkle against muted tones and nature-inspired textures. Avant-garde appliances by leading brands complete the offering.

A RELAXING HIDEAWAY

Intelligently designed, these vanity zones transform everyday rituals into fascinating sensorial experiences. Earthy tones set the mood for relaxation while integrated furniture pieces bring form and function to these stylish bathrooms. Attention to ergonomics as well as balance between beauty and efficiency elevate comfort and transform these bathing rooms into tranquil retreats. A separate powder room adds to the indulgence.

THE PATH TO RELAX AND ENERGISE

The need to unwind is imperative in today's fast-paced world. Encouraging the quality of life, residents will enjoy premium on-site recreational facilities including a fitness centre complete with sauna and steam room, a yoga room and two rooms for private massages and treatments. The multi-purpose room is ideal for intimate gatherings and celebrations. Evoking a sense of calm, the azure rooftop pool and bordering pool deck looks out at the picturesque skyline of this famed city of superlatives.

The Driving Force

Established and founded by the Regal Group and Lals Group, Signature Developers Limited is a pioneering Dubai-based development company. The company is inspired by both organisations' philosophy of constant innovation and exceptional quality. Both groups are known in the region for their decades-long commitment to innovation, high quality and service, while remaining rooted in their heritage.

The 118 in Downtown Dubai and The Residences in Jumeirah Lakes Towers are the result of their collaboration, a statement of excellence in every way.
